ISO Tank (JJ MES)

KD MES JJ MES

One Way (Drop Off)

You can easily use it when needed, without the burden of inventory.

You can improve your cash flow by eliminating the need to purchase containers.

You won't have to worry about issues concerning container sales at the destination.

- ✗ No risk of container price drops.
- ✗ No risk in collecting container sales payments.

Benefits For:

- NVOCC
- Rail Operator
- Shipping Line
- Shipper
- Trucking Company
